

Payer and Wellness

About Nordic

Nordic is an award-winning global health and technology consulting company that partners with health leaders around the world to create healthier systems, businesses, and people. Together, our global team of more than 1,800 professionals brings decades of experience across our key focus areas of strategic advisory, digital and cloud initiatives, implementation and support, and enterprise technology transformation. Nordic and its network of companies, including Bails & Associates, Healthtech Consultants, S&P Consultants, and Tasman Global, supports more than 650 clients in their efforts to harness the power of technology on a global scale.
